

## **"No One Higher"**

There is fullness of joy  
In the presence of our God, Jesus  
And there is a refuge of hope  
In the shadow of His cross

We lift our hearts with our hands to our God  
We lift our hearts with our hands to our God

No one is higher than Jesus  
Our God Reigns  
Our God Reigns

There is assurance of faith  
In the presence of our God, Jesus  
And there is a fortress of Love  
We are building on His rock

We lift our hearts with our hands to our God  
We lift our hearts with our hands to our God

No one is higher than Jesus  
Our God Reigns  
Our God Reigns

No One is greater in power  
Our God Reigns  
Our God Reigns

We lift our hearts with our hands to our God  
We lift our hearts with our hands to our God  
We lift our hearts with our hands to our God  
We lift our hearts with our hands to our God

No one is higher than Jesus  
Our God Reigns  
Our God Reigns

No One is greater in power  
Our God Reigns  
Our God Reigns

Our God Reigns

Our God Reigns  
Our God Reigns  
Our God Reigns

There is fullness of joy  
In the presence of our God
